Protein blend as a protein concentrate with sweeteners for the preparation of a protein drink. With amino acids, L-Carnitine and BCAA.

Recommended dosage: Stir one serving (30 g powder) into 300 ml of low-fat milk or 250 ml of water and drink.

Directions: On training days, drink about 30 minutes before or after an intensive workout. On non-training days, drink in the morning or evening.

Best before: 30 months from date of production.

Storage: Store in a cool, dry place, best before opening. Do not expose to direct heat and light.
